riverside
foods

In 1961 Riverside Foods began by hand breaded lake fish. Fifty years later we continue to produce our legendary fish items and original cheese curds while developing innovative and exciting products.

Riverside Foods' **Kettle Brau™** brand showcases our legendary beer batter featuring the popular taste of Leinenkugel's Original. A Perfect "10"...& not just at bar close!

Riverside Foods' **Trivers'™** brand features our original Trivers' Half Naked™ White and Yellow Cheese Curds, and our Trivers' Warm and Goopy Chocolate Chip Cookies!
